

JULY/AUGUST 2022: CHURCH

1 Corinthians 12: ¹⁸ But in fact God has placed the parts in the body, every one of them, just as he wanted them to be. ¹⁹ If they were all one part, where would the body be? ²⁰ As it is, there are many parts, but one body... ²⁷ Now you are the body of Christ, and each one of you is a part of it.

Do you ever think about what it means to be part of a local Body of Christ? Do you wonder if we, BHBUMC, are fulfilling our purpose for existing in this time and location? Proverbs 29:18 says that without a vision, the people perish. Do you have a vision of what BHB would look like when every able-bodied believer and Member participates in the regular life and ministry of the church? What will BHB look like in the coming year(s) (if Jesus should tarry)?

The following is an excerpt from a Focus on the Family article about the purpose of church:

God's church has many purposes such as evangelism, edification, worship and social concern. To evangelize means to tell others the Good News (Gospel) of Jesus Christ and what He has done. Matthew 28:19 provides the mandate to spread the gospel. This means that ***every church needs to be involved in some form of evangelism, reaching out to non-Christians with the truth of Christ.***

The church is also to edify Christians. To edify means to build up, equip, improve, encourage or support. Gathering together with other believers, as in attending church, is one important way to be edified as a Christian. We can also be edified by teachings in a sermon, Bible study or small group. There are other ways the church provides edification, but the point is that another purpose or role of the church is to edify.

Worship is also a key function of the church. It is where we gather with other Christians and worship God. This does not mean that a church building is the only place we can worship (it's not), but it is something the church is to do regularly. Although different Christian churches have different forms of worship styles or music, the purpose is to worship God, not to entertain or amuse the congregation.

Another purpose of the church is social concern. This means we are not just to gather together on an intellectual level, spend all our time in worship or evangelize without humanitarian concern. While evangelism, edification, and worship are important in the life of any church, it's also important to go out into the world and do something positive to help others just as Christ called us to do (see, for instance, Matthew 25:35-36). Social concern was a key part of the early Christian church and has continued to be a central component of Christianity.

One thing to keep in mind is what a particular ***church believes and teaches.*** We might call this "doctrine." While Christian traditions have room for a variety of expressions of church and worship, for instance, all Christian churches throughout the centuries adhere to a core of essential beliefs about God, Christ, humanity, salvation, etc.

Watch your life and doctrine closely. Persevere in them, because if you do, you will save both yourself and your hearers. 1 Timothy 4: 16

Church; please pray and consider your purpose as a part of the Body of Christ at Black Hawk. Together may we gain a corporate vision of our calling and commissioning. May we grow together in the grace and knowledge of our Lord Jesus Christ!

Onward and upward! PK
